One Single Community

FIRST READING

Reader: *A reading taken from the spiritual heritage of humanity.*

Assembly: *From all time, Heaven has prepared the coming of the Kingdom.*

Reader: *Today, a passage from the messages of the Lady of All Peoples.*

[51st message, May 31, 1955]

It is written:

“Peoples, in order that alarming things may not come upon you, the Lady begs you, now, today: implore the Father, the Son, the Holy Spirit that ‘He’ protect His people, and ‘He’ restore the unity of His people.

“It is unity which His people must attain. To be one, unity; and over and above this unity, the Lady of All Peoples.

“One Community, peoples. I emphasize these words: one Community. Think of the future.”

And smiling slightly, the Lady explained:

“No, the Lady does not say, ‘Think of your material future.’

“Understand why I can come on this great day. It is the Lord who chose this great day for the Lady of All Peoples. For it is she who has received the power to bring her peoples to take form in unity. For it is she who has received the power to gather her peoples into **one great and single Community**.

“**All the peoples gathered together in one Community**; that is what this world and this time must work for. And that is what I have announced many times.

“I have constantly foretold this time in a veiled fashion. Very well, peoples, this time has arrived.”
