

LITURGY OF THE KINGDOM

The Stages of Revelation

FIRST READING

Reader: *A reading taken from the spiritual heritage of humanity.*

Assembly: *From all time, Heaven has prepared the coming of the Kingdom.*

Reader: *Today a short passage from the prophecy of Madeleine Porsat [1773-1843], reported by Marie-Paule in "Life of Love". [vol. IX, pp. 221-222]*

It is written:

The end of the times is here. It is the end of what is evil and the beginning of what is good.

This is not a commonplace event taking place, but the beginning of a great epoch: the third.

- **After the Father** who created us to know, love and serve Him,
- **after the Son** who has saved us,
- behold, now the Father and the Son, to console us, are sending us their triumphant Spirit with His Spouse, Mary!

It is a great miracle. Mary comes from heaven. She comes with a legion of angels. The elect on earth must rise up to go and meet those sent by God.

This is the Army of the Lord: many holy women, only a few Saint Johns. As for the armaments of God:... No material force, no human succour...

What is coming is the overthrow of the world. The last crisis will culminate in the birth. The world will think that all is lost, is being annihilated!...

Many of the first will pass last. The children who are not in the grip of evil will be the first to hear and will see their Immaculate Mother.

Mary is coming! She is coming to each one, and to each one she will open the book of his or her conscience.

God, through the service of Mary, kind Mother, effects the first opening of the conscience of each soul. This will be a mysterious examination between the Mother and her children, without any wounding of self-respect.
