THE TRIUMPH OF THE WOMAN

October 4, 2026

Prayer of the Day

O Marie-Paule, on the first morning of our humanity's return to Earth, God promised that, one day, a Woman would crush the Serpent's head – the source of all evil. In this end of the times we have reached, He entrusted this fearsome mission to You, in order to open to our humanity the path to its regeneration. We beseech You: hasten the hour of your triumph and drive out evil. Drive it out of our world, from our lives and from all the souls You love, so that God's will may finally be done on Earth as it is in Heaven. Amen.

READER: A reading from the Spiritual Heritage of Humanity.

ALL: ***From the beginning, Heaven has been preparing the coming of the Kingdom.***

READER: Today, a passage from an article by Saint Raoul Marie.

Raoul began by quoting the Book of Revelation:

"A great Sign appeared in the sky: a Woman! She was clothed with the sun, with the moon under her feet, and on her head a crown of twelve stars. Because she was with child, she wailed aloud in pain as she labored to give birth. Then another sign appeared in the sky: it was a huge dragon, flaming red, with seven heads and ten horns; on each head, there was a diadem." (cf. Ap. 12:1-3)

He went on to say: And that is how we are shown at the end, in the Apocalypse, what was announced at the beginning in Genesis. For God had said: "I will put enmity between you and the Woman, and between your offspring and hers; He will strike at your head, while you strike at his heel." (Gen 3:15)

Enemies from all time, the Woman and the Serpent will confront each other only in the final days. And the battle will begin WHEN THE PAINS OF GIVING BIRTH WILL BEGIN…. [The bringing to birth of] the Kingdom in which Christ will be King.

The Kingdom of the fulfillment of the only absolute Prayer, the one which, for almost twenty centuries, has been resounding on earth: "Thy KINGDOM come! Thy will be done ON EARTH as it is in heaven!" And that, in actual fact, is the bringing to birth in pain. For it is Mary, and only Mary, who must drive the Prince of this world out of the world, so that Jesus, Christ the King, may come and reign there. (L.V.)

After the scene of Mary's birth, Jesus indicated to Maria Valtorta how the mere presence of Mary on Earth already marked Satan's defeat in the world. He said:

The revenge of God! Hiss, O Satan, your hatred... This little girl has beaten you! Before you were the rebel, the tortuous one, the corruptor, you were already beaten and She was your conqueror. One thousand assembled armies are of no avail against your power, the arms of men fall before your scales, O perennial corruptor.

And yet, the heel of this child is crushing your head without any fear and relegates you to your den. And a mere sigh from her causes you to flee away, although you are not afraid of armies. You are defeated. Her name, her look, her purity are a lance, a thunderbolt that pierces you and demolishes you and imprisons you in your den in hell. You have been defeated in a Woman and by a Woman. (L.V.)

MOTHER: In *Life of Love*, volume VII, Marie-Paule wrote:

I "learn" that, from now on, these words, "This is my Body, this is my Blood", will symbolize both the Work of the Redemption accomplished by the Redeemer and the Work of the Co-Redemption accomplished by the Co-Redemptrix. I am filled with an indescribable peace, lost in wonderment before all that I "see". I am deeply moved and the tears flow.

But suddenly human considerations take over. No! This is not possible; it is too much to accept. And the chorus of diabolical mockery begins again more vigorously than ever. The insulting remarks begin all over and beat savagely with rage upon my mind. The sharp mental suffering recommences. My heart tightens, and I would like to die, disappear without leaving a trace of myself. What a drama is being played out in my soul! It is a veritable duel between heaven and hell and I am caught in the middle of it….

Suddenly I "see" the serpent stretched out on the ground, and I "know" that the moment has come to crush its head. I "see" myself, without any physical movement, place my two feet on its head and, without my exerting any pressure, its head is crushed with a dreadful crunching sound… A startling sight that I "see" as if it were a concrete reality. I had been told that "I would crush its head"; now the fulfillment of this is "shown" me.

MOTHER: Thus said the Lady. ALL: ***May She be blessed forever.***

UNDERSTANDING LOVE

October 5, 2026

Prayer of the Day

God of love and goodness, look toward us assembled here before You this day. Grant that our heart be always more open to the Mystery of your Presence. Grant us the wisdom and humility to submit ourselves in everything to your holy Will. May we then joyfully follow the path that leads us ever higher to You. Amen.

Speaking of God, Simon the Zealot said to Jesus:

"Day by day, like one proceeding in an unknown place, the knowledge of the immense Reality which is Perfection, which wants to call us His "children" is progressing in me. I seem to be climbing like an eagle or to be diving like a fish into two endless depths, such as sky and sea, and I climb higher and higher and dive deeper and deeper, but I never touch the end. But what is, therefore, God?"

Jesus replied:

"God is perfect Beauty, God is infinite Power, God is the incomprehensible Essence, God is unsurpassable Bounty, God is indescribable Mercy, God is immeasurable Wisdom, God is Love that became God. He is Love. He is Love! You say that the more you know God in His perfection, the higher you seem to climb and the deeper to dive into two endless depths of shadeless blue… But when you understand what is the Love that became God, you will no longer climb or dive into the blue, but into a blazing vortex and you will be drawn towards a beatitude which will be death and life for you. You will possess God, with a perfect possession, when, by your will, you succeed in understanding and deserving Him. You will then be fixed in His perfection." (L.V.)

What counts above all, is the love we put in our prayers and our deeds. Thus, God gives graces of light whereby the soul better understands the divine ways and feels more fervent to advance with generosity.

The more a soul advances to God, the less impetuous and restless the manifestation of its love becomes, but it gains in depth what it has lost in emotion and exteriorization. The movement of its will to love God and souls becomes firmer and penetrates more into the depths of the divine mysteries.

That is how the soul reaches the point of contemplating God in silence and with love. The more it becomes enamoured of Him, the more it also feels the need to concentrate its love in a complete generosity: the consecration or the total giving of itself to Jesus through Mary. And there is an abundance of graces. Therefore, what counts above all, is not to reason, but to love and abandon oneself.

WISDOM REVEALED TO THE LITTLE ONES

October 6, 2026

Prayer of the Day

God of Love, see humanity imploring You. It thirsts for happiness and hungers for truth. But it has often cut the thread binding it to You, seeking distractions in empty comforts and bitter substitutes. The time has come to tear down the walls of its complacency and knock down the barriers of its isolation. Accept our prayers and make them serve the RENEWAL OF HUMANITY so that your Kingdom may come and your Glory shine. Amen.

Pain constantly dogs our footsteps and we go forward fearful of harming, through our own initiative, YOUR WORK which is so beautiful! When we realize, my God, that YOUR PLAN OF LOVE IS BEING REALIZED as foretold, and that we have been the unwitting instruments, then we plunge into a full CONSCIOUSNESS of our nothingness, and we adore YOUR DIVINE PROVIDENCE.

Yes, my God, how GREAT YOU are, how WISE, GOOD, COMPASSIONATE, and how INSIGNIFICANT, UNWORTHY we are. But we LOVE YOU above ALL ELSE, and we want to remain FAITHFUL to YOU to the very end, whatever may be DEMANDED of us!"

OUR LADY OF THE ROSARY

October 7, 2026

Prayer of the Day

O Mary, You are the Star that shines through these dark times. You are the haven of peace in which we always find refuge. You said "yes " to the Most-High, your divine Spouse, and we say "yes" to You, our divine Mother, by fervently reciting the Hail Marys of our rosary. From the depths of our lowliness, we implore You: hasten the hour of your total and complete Triumph and gather all your children in your *Heart that shines with Light and Beauty*. Amen.

READER: A reading from the Spiritual Heritage of Humanity.

ALL: ***From the beginning, Heaven has been preparing the coming of the Kingdom.***

READER: Today, a passage from the book *All These Mysteries in the Mystery of Mary* by Saint Raoul Marie. It is written:

When, in Paris in 1830, Mary inaugurated the cycle of her great apparitions – this major event in the history of the Church, the importance and depth of which we still cannot evaluate –, she would insist every time on the urgent necessity of the Rosary.

Finally, in 1917, in the culminating epiphany of Fatima, she would define herself in these words, imposing a name that seemed so dear to her: "I am Our Lady of the Rosary".

This title "Our Lady of the Rosary" is not like the other names of the Immaculate Virgin Mary. It is a name given in view of a precise and predestined moment: the one when men will have to wage the Combat.

And not this battle against ourselves that is always necessary, but the Combat – but the FINAL BATTLE! – that will oppose them not only to God's declared enemies but also to the hostile powers, set free from hell, when the shaft of the Abyss will open (Apoc 9:2), and the spirits "will spread over the world for the loss of souls."

As for the Rosary, it is the weapon, so ridiculously little, but required by God in this gigantic confrontation. So, understand, finally understand why Mary, whenever she comes down on earth, asks us, begs us, implores us to say the rosary. (L.V.)

The Rosary is the prayer of the Church recommended by the Popes, and especially by Mary during her apparitions, where, at Fatima, she made herself known under the title of Our Lady of the Rosary. The Rosary: a silent and effective weapon she gave to her attentive and loving children to overcome the spirit of evil that claims so many victims.

In troubled times, this very simple prayer which, at the same time, is a summary of the Gospel, is within the reach of the great and the lowly, of adults and children, of the powerful and the humble. It is the weapon of peaceful combats against the destructive weapons invented by men to sow trouble, violence, terror, destruction and even death.

If the society of tomorrow wishes to experience a Christian renewal, and at the same time "a human renewal", it is necessary that it draw upon itself, through the prayer of the Rosary, the graces of which Jesus' merciful Heart is full, in order to discharge them upon the world. (L.V.).

THE MIRACULOUS CATCH AND MARY'S WORK

Jesus revealed himself again to his disciples at the Sea of Tiberias. He revealed himself in this way.

Together were Simon Peter, Thomas called Didymus, Nathanael from Cana in Galilee, Zebedee's sons, and two others of his disciples.

Simon Peter said to them, "I am going fishing." They said to him, "We also will come with you." So they went out and got into the boat, but that night they caught nothing.

When it was already dawn, Jesus was standing on the shore; but the disciples did not realize that it was Jesus. Jesus said to them, "Children, have you caught anything to eat?" They answered him, "No." So he said to them, "Cast the net over the right side of the boat and you will find something." So they cast it, and were not able to pull it in because of the number of fish.

So the disciple whom Jesus loved said to Peter, "It is the Lord." When Simon Peter heard that it was the Lord, he tucked in his garment, for he was lightly clad, and jumped into the sea. The other disciples came in the boat, for they were not far from shore, only about a hundred yards, dragging the net with the fish. So Simon Peter went over and dragged the net ashore full of one hundred fifty-three large fish. Even though there were so many, the net was not torn.

At this time I am preparing issue no. 153 of our paper *Le Royaume*. It seems to me that this Number 153 about which the Gospel speaks would also be linked in a special manner to Mary's Work.

Raoul Auclair often spoke to us of this number 153, which is also present in Mary's apparitions at Fatima. He also noted that the Rosary is a garland of 153 Hail Marys….

Now, the Virgin of the Rosary has subdued destiny, as she said she would, in order to achieve the triumph of the divine designs that are the Way, the Truth and the Life. The world is always being reborn to the light, and the eternal Light will shine again on an earth delivered from the Dragon, who will be put in chains for a thousand years.

May this hope be a support to souls faced with the convulsive assaults of the Beast who cannot bear the birth of the Reign of Love. That Reign of Mary will come through the Holy Spirit because of all the sufferings throughout the world, the blood shed, the fervent prayers which have served as sowings for the germination and growth of a fraternal world. God's response of Love to the breath of hatred of Lucifer brought low by the Warrior Virgin.

May the Virgin of the Rosary, the "RAINBOW", between God and beings, Ark of the Covenant, Mother of God, Queen of Heaven, Mother of the Church, "SOVEREIGN OF THE EARTH" through the Co-Redemption, sustain all hearts in thoughts penetrated by hope! (L.V.)

If the repose of the Son of God is in the hearts that love Him, my joy is to remain close to those who love me.

Love, feeding on love, feels He is sinking in his love because He can pour the waves of his goodness into too few. But this Love expands, full and constant, like a great perennial river, over the souls faithful to Him.

He embraces them with his very sweet waves, lifts them up, and transports them, bearing them into the great sea of the knowledge of God as far as the gulf of blessedness: to the breast of the Eternal Father

Be good. Remain at peace. The flower on the wave does not offer resistance. It sails into the azure wherein it quenches its thirst, shining in the sunbeams because of the water adorning it, and heads into open sea. (L.V.)

Love is so great, so marvelous, that the Eternal Father, who created us, gave us his only Son to teach us to love, to transcend ourselves, to live, even on this earth, in a sort of fulness.

- a fulness of happiness which, through self-giving, begets in the soul a joy, surpassing all the fleeting, temporal pleasures which bring no satisfaction;
- a fulness of giving which molds the soul to the image of Christ, giving it to taste the unrivaled sweetness of the FIAT uttered in the throes of suffering;
- a fulness of joy in the discovery of horizons which reason cannot unveil, and in the possession of secrets disclosed by God to souls that love and never cease giving;
- a fulness of peace which floods the soul while all about rages a storm of accusations;
- a fulness of serenity when the cause seems lost;
- a fulness of union which is strength, and a magnet drawing hearts and souls towards a common goal, in a common surge of love, because rooted in enduring values;
- a fulness of accord with those who believe, hope, love, knowing that the Word of God cannot deceive, and that it is working today as it did in the age of the Patriarchs.
