ALL YOURS, MARY

Prayer of the Day

"Hail, Mary, full of grace" and full of Love! How great is our joy to be all yours, all for your Work, and to have You as Mother and Queen. We want to humbly thank You every day for this tremendous favor, by making of our lives a reflection of your Image. Yes, dear Mother, with your help, we want to become, at the same time, a prayer to God and a gift to others, thus hastening for everyone the grace of knowing You and the happiness of loving You. Amen.

Reading from the Spiritual Heritage (*True Devotion to Mary*, nos. 216,217)

READER: A reading from the Spiritual Heritage of Humanity.

ALL: ***From the beginning, Heaven has been preparing the coming of the Kingdom.***

READER: Today, two passages from *True Devotion to Mary* by Saint Louis Marie Grignion de Montfort. It is written:

If you practise this devotion, our Blessed Lady will fill you with great confidence in God and in herself. You will also be able to say: "My loving and redeeming Mistress, I will act with confidence, and not fear, because you are my strength and my praise in the Lord… I am altogether yours, and all that I have belongs to you."

Ah! when will the happy time come when the divine Mary will be established Mistress and Queen of all hearts, in order that she may subject them fully to the empire of her great and holy Jesus? When will souls breathe Mary as the body breathes air?...

When will that happy time, that age of Mary, come, when many souls, chosen and procured from the Most High by Mary, shall lose themselves in the abyss of her interior, and become living copies of Mary? (L.V.)

Standing by the cross of Jesus were his mother and his mother's sister, Mary the wife of Clopas, and Mary of Magdala.

When Jesus saw his mother and the disciple there whom he loved, he said to his mother, "Woman, behold, your son."

Then he said to the disciple, "Behold, your mother." And from that hour the disciple took her into his home.

ACCLAMATION: ***From the Lord to the Lady, one single Love, one single Mystery: one single Kingdom to lead all of Creation to God.***

MOTHER: A proclamation of the Works of the Lady.

ALL: ***The word of the Lady is a word of truth.***

MOTHER: In volume III of *Life of Love*, on the occasion of a Marian feast day, Marie-Paule underlined what it represented for the Marian Group:

"A reminder of a consecration, of a total giving of self in slavery according to Saint Grignion de Montfort…"

Then, she would go on to say: "Did we have any conception of the profundity, of the completeness, of this act of giving? The years have gone by. Only a great peace abides. A fulfilling love gives a new dimension to our life of oblation, like a sun that transforms and beautifies the realities that surround us.

"Once again, this consecration, this giving in slavery, is renewed. Every word is rich in significance, and presents itself as a consolation and an authentic source of confidence in a love capable of any and all acquiescence. What secrets of love are born between God and the loving soul!..."

Then, Marie-Paule ended her reflection with this prayer:

"Virgin Mary, Immaculate Mother, protect your Group as it goes along its way, and heed our ardent desire to be faithful and sincere. Look also upon your people submerged in a sea of perversion, for the demon has mobilized the workers of darkness, and the immense clamor of apostasy resounds throughout the earth. Your people, oh Mother, are waiting in silence, in prayer, in love.

"Soon, your hour will sound, and a superabundance of divine mercy will pour down like beams of light, like a wave of love, to stimulate souls with its sudden radiance, and we, triumphant, shall be witnesses of a new wisdom in the world on a pacified earth."

MOTHER: Thus said the Lady.

ALL: ***May She be blessed forever.***

MARY, ALWAYS MARY

September 7, 2026

Prayer of the Day

O Mary, Mother of all men, your boundless and immeasurable Love, surrounds and illumines us at every moment. With confidence, we ask You: crush within us every resistance to your maternal Goodness, shape our soul in your Image, speak to our heart and render us attentive to your divine will. Without You we are lost, but in You we find Life. So, dearly beloved Mother, grant that we may never be separated from You. Amen.

Gospel Reading (*The Poem of the Man-God*, vol. 3, pp. 384-385)

ACCLAMATION: ***In the days when History was renewed, the Son of God revealed Himself by His unparalleled words and actions. Alleluia.***

PRIEST: A reading from the holy Gospel according to Maria Valtorta.

ALL: ***The Lord is the Light and Salvation of the world.***

Jesus said:

[The meaning of my Mother's name] will begin to appear clearly to the true faithful and loving ones in a dreadful hour of torture, when the Mother is to be tortured with Her Son, when She co-redeems with the Redeemer, in the eyes of the whole world and for ever and ever….

It would be a great thing indeed to be my Mother according to the flesh…. Thus Mary would be remembered with the greatest praise, for giving Jesus, the Saviour, to the world. But it would be too little, as compared with what God exacts from Her to fill the measure required for the redemption of the world.

Mary will not disappoint God's desire.She has never disappointed Him. She has given and will give herself completely both with regard to requests of total love and to those of total sacrifice. And when she has accomplished the supreme sacrifice, with Me and for Me, and for the world, then the true faithful and loving believers will understand the real meaning of Her Name….

MOTHER: In the *White Book* IV, Marie-Paule outlines the main elements of a message given by Mary to Lucia of Fatima. It is written:

The Virgin said expressly: *WE ARE COMING UP TO THE LATTER TIMES*.

She said that to me three times: The first time, she declared that the devil had begun a decisive battle, that is to say, final, from which one of the two (the Virgin or the devil) will emerge victorious or vanquished; either we will be with God or with the devil.

The second time, She repeated to me that the last remedies given to the world were the Rosary and the devotion to the Immaculate Heart of Mary; the last ones, which means that we will not be given any others.

The third time, She told me that, the other means scorned by men having been exhausted, She was giving us, trembling, a powerful (ultimate) anchor of salvation which is the *MOST HOLY VIRGIN MARY IN PERSON*. In tears, She asked that the messages given to the seers be spread throughout the world. (L.V.)

THE BIRTH OF MARY

September 8, 2026

Prayer of the Day

O Mary, we are celebrating your birth on this blessed day. What a mystery and what a grace! You, the Immaculate Mother, You came into this world to give us the Son You had together: Jesus Christ, the Savior of humanity. Your passage forever marked the memory of men who, since then, have incessantly prayed to You. And today, we implore You: *"divine Mary, our Mother, hear our prayer and take us by the hand along the path that leads to infinite Love"*. Amen.

Reading from the Spiritual Heritage (Saint John Damascene)

READER: A reading from the Spiritual Heritage of Humanity.

ALL: ***From the beginning, Heaven has been preparing the coming of the Kingdom.***

READER: Today, a passage from a homily by Saint John Damascene. Of Arab origin, having lived at the turn of the 7th and 8th centuries, he is a Father of the Church and the author of a remarkable Marian theology. He was declared a Doctor of the Church by Pope Leo XIII. It is written:

Today, in the person of the Virgin Mary, there sprouts a shoot from the stump of Jesse upon which a divine flower will blossom for the world.

Today, He who, in former times, pulled the firmament out of the waters, He created a new heaven on earth which is made of an earthly substance, and this heaven is much more beautiful, much more divine than the other one, because the Sun of Justice will be born from it...

So many miracles are brought together in this child, so many covenants are made through her... In her, in fact, there will be the union of divinity and humanity, of impassibility and suffering, of life and death, so that, in all things, what was bad may be vanquished by the best.

O daughter of King David and Mother of God, the universal King, you will have a life superior to human nature, but you will not have it for yourself, for you were not created for yourself. You will have consecrated it entirely to God who brought you into this world so as to accomplish His plan: the Incarnation of His Son and the deification of the human race.

Here is a summary of the circumstances of Mary's birth as described by Maria Valtorta.

The time has come for Anne to give birth. It is growing dark and the evening is preceded by a furious and very violent storm. It brings torrential rain, wind, lightning, everything… Someone present notices the ferocity of the gale: "It looks like Satan has come out of Gehenna with his demons."

Then the storm suddenly abates. Meanwhile a cry, one resembling the tiny plea of a little turtle-dove that for the very first time no longer peeps but cooes, is heard from beyond Anne's door. [Mary is born!]

And at the same time, a huge rainbow stretches its semicircle across the sky. "It seems to enclose in a circle the whole of the land of Israel. And look! There is already a star in the sky while the sun has not yet set. It is shining like a huge diamond!... And the moon is a full moon, three days early."

"My little Mary is the Star," Anne says. "Her sign is in Heaven. Mary, rainbow of peace! Mary, my Star! Mary, pure moon! Mary, our pearl!" (L.V.)

ALL: ***The word of the Lady is a word of truth.***

MOTHER: In *Life of Love*, volume VII, Marie-Paule wrote:

Then certain events pass before my eyes, especially the memory of the day the Lord said to me: *"Your soul is of an immaculate white"*… In fact, at what moment did I receive that inspiration? So, I look through my notes and discover, to my surprise, that it was given me on September 8, the feast of the Birth of Mary.

Then there comes to my mind another event related in *Life of Love*. After my Communion, I was telling Mary how happy I was to celebrate her anniversary at the foot of the altar. She at once replied: *"But it is also your feast day, my child."* At that time, the words made no sense to me. When it came time to write it down, this incident came back very clearly to my mind. Out of obedience, I had to give an account of it without understanding it. I was very embarrassed to write such a statement.

Now, today I understand the light that God is giving me. On that September 8, 1970, when the Lord said to me: *"Your soul is of an immaculate white,"* there occurred at the same time the birth of the true Spirit of Mary, a new and immaculate conception. God lives in the eternal present. These revelations were already realities to Him who knows all.

ACCEPTING THE FRUITS OF LOVE

September 9, 2026

Prayer of the Day

You, Lord of the worlds, and You, Lady crowned with stars, we beseech you to illuminate the Earth with the myriad fires of your overflowing Love. Teach us each day to love what is beautiful, what is good, what is true, for in that way we may come closer to You who are Beauty, Goodness and Truth themselves. Deliver us from all evil and grant that the blessed time of HUMANITY'S LIBERATION may finally begin. Amen.

Jesus said:

I thirst for souls. I would like to arouse my Eucharistic Love in your souls. Come close to me with confidence….

Come to the Communion rail often. Come to it despite your spiritual wretchedness and your sins. Come to it, precisely because of your imperfections. For the Eucharist is not a reward for merits and holiness but a means of achieving them. The Eucharist strengthens man's spiritual life; it comforts and restores your souls in all things.

If you would allow me to act, I would rapidly transform your souls into living ciboriums where I could constantly remain. Then, in you, we would see nothing else but your Jesus living in you, leaving behind him a trail of light and the balm of his Heart.

MOTHER: In the paper *Le Royaume* in 1996, Marie-Paule wrote:

To love implies not only a giving, but also the acceptance of the fruits of Love, and the fruit of the greatest Love is the Eucharist: a God giving himself to us in order to divinize us, in spite of our littleness and our sins.

But God fills our littleness with His grandeur and His strength. He opens His Heart to us in order to forgive our mistakes. It is through our wounds that He leads us to humility.

He even asks us to give Him our miseries, our negligence, our failings, for He understands everything and He invites us to ascend to Him in order to experience His Love and Mercy….

Let us adore Jesus in the Eucharist, thank Him for having loved us so much, implore His forgiveness for having offended Him, and let us ask that His name be hallowed, His will be done and His kingdom come on earth as in heaven, so that one day all may meet again in His Love.

GOD, COMFORT IN SUFFERING

September 10, 2026

Prayer of the Day

Divinity a thousandfold holy, hear mankind's prayer: it expects everything from You, wherever it is on Earth. So many people are suffering terribly and without consolation, and often we can do nothing other than pray to You with the strength of our hope and sustained by the miracle of faith. Forgive men their strayings and their errors, and amid their sufferings, may they know that THEY ARE LOVED WITH AN INFINITE LOVE. Amen.

Jesus said to a group of disciples:

Peace be with you. Yesterday I heard two unfortunate persons speak. One at the dawn of life; the other at its decline: two souls bewailing their distress. And I wept in my heart with them, seeing how much sorrow there is on the earth, and how only God can relieve it. God! The exact knowledge of God, of His great infinite goodness, of His constant presence, of His promises….

I solemnly tell you: Come to me, all of you who are afflicted, disgusted, broken-hearted, tired, and I will share in your grief and give you peace…. You will find comfort in your grief, company in your solitude, to make you forget the hatred of the world. You will find above everything, the love of God, the supreme comforter, the perfect companion.

You will no longer doubt anything. You will no longer say: "Everything has come to an end for me!" But you will say: "Everything begins for me in a supernatural world which abolishes distances and cancels separations." Suffering is a cross, but it is also a wing. [L.V.]

In life, the joys and sufferings are multiplied. The more crosses there are, the more acts of abandonment there are, the more loving Fiats, then the more does the deepened wound receive the sweetness of the balm that heals it in multiplying the lights concerning the On-High or to help in the practice of the virtues.

This is so true that a moment of these spiritual joys perfumes one's existence with an inalterable peace that opens horizons which reason cannot discern. To pardon a wrong and return good for evil is to open one's heart to the God of love who purifies us. What peace in the soul that elevates itself, and how very sweet a balm!

But what is this beneficent balm that assuages the pain and ensures new strength in a renewed joy? It is the LOVE of God that penetrates the wound inflicted on the heart, and the more there are offerings, the more profoundly does the divine love make its way into the Heart of the heart, that precise place that links us directly to heaven.

ONE SINGLE LOVE, ONE SINGLE MISSION

Prayer of the Day

God of Love, see humanity imploring You. It thirsts for happiness and hungers for truth. As I have loved you, you must love one another. By this love it will be known that you are my disciples. When a father has many sons, how does one know that they are such? Not so much by their physical appearance… as by their common love for the family, for their father and for one another.

And even when the father dies, a good family does not break up, because they all have the same blood, for it is the one they had from the seed of their father, and it builds bonds that not even death severs, because love is stronger than death.

Now, if you love one another even after I have left you, everyone will acknowledge you as my children, and therefore as my disciples, and as brothers to one another, having had but one father. (L.V.)

God has willed that this Work should be; We have only to let Him act in abandoning ourselves to His will. He has always made provision for everything, without any request on my part.

No planning; only the events that unfolded day after day opened the ways. But this required hard work, for when God passes we have to run after Him, with constantly renewed strength.

I have never had to seek collaborators; it has been God who has prepared them and led them to us. What marvelous and salutary collaboration we had at the very beginning from the members of our Marian Group.

For a number of years, our Group, which served as a base for the Army of Mary, put the emphasis on the spirituality of friendship, nourished by the reading of spiritual books and by fruitful meetings, enriched above all at the altar of the offering and by the Gospel message which elevated our thoughts that become light, beauty, nobility and love….

It was a fraternal union that demanded nothing more than a life in conformity with the divine prescriptions, in the respect of one's duties of state. It was a current of fervour and the soul's life was renewed.

This night will become the dawn of a day with no sunset and of a light in which all the faithful will live and will be the dawn of a sunshine that will make all the chosen resplendent, beautiful, happy for ever even like gods Minor gods, children of God the Father like Me…

It is not possible for you to understand now. But I solemnly tell you that your Christian life will cause you to resemble your Master, and you will shine in Heaven with His signs. Through the Army of Mary, source of graces and blessings, we have opened ourselves to a light of great yet gentle intensity; a light which, through a sudden unveiling, has lit up our road, and we have understood that this Light orients history and stamps it with the divine seal.

Obliging us to consider everything from a new angle, this light has aroused in us a deep and burning need for absolute truth. With a heart-gripping lucidity we have seen the action of Providence in a Work of love. Who, then, could give the mysterious explanation of that which went on in the deepest part of our soul, without exaltation, and which was so attuned to reality?

In the intimacy of our soul, we have savored the incommunicable "reality". Then we understood what the "providential event" is, that language of God in each soul receptive to grace, or at the interior of a Work. In a wonderment of joy and intimate resonance, in the depths of our soul, we have, in love, vibrated to the same essential values and the same hopes….

God is the Master Craftsman. Everything belongs to Him. He is FREE to do what He wishes with our sacrificed will, and this at once becomes, for us also, a source of authentic LIBERTY.
